The Company applies IFRS in the preparation of financial statements in accordance with the requirements of applicable laws in the United Arab Emirates. Also, study the effects of applying these standards on the accounting treatment of future transactions.

(1) Procedures taken to complete the corporate governance

Gulf Cement Company adopts a set of rules, controls and charters that achieve institutional discipline in the company's relations and management in accordance with international standards and methods by defining the responsibilities and duties of the board of directors and senior executive management of the company and taking into consideration the protection of shareholders 'and stakeholders' rights. The company is keen to communicate with the related authorities and public in order to maintain its position locally, regionally and globally. The company is committed to implement the Chairman of Authority's Board of Directors' Decision no. (3/Chairman) of 2020 concerning Approval of Joint Stock Companies Governance Guide and believes in the importance of applying it to establish the rules of transparency, fairness and accountability based on the best models, practices and standards in force worldwide.

As part of Board of Directors' keenness to establish a distinguished model of compliance with the resolution no. (3/Chairman) of 2020 concerning Approval of Joint Stock Companies Governance Guide, the Company has committed to apply best practices as follows:

Corporate Governance

1. Implementation of policies, procedures and resolutions issued by the SCA on the standards of institutional discipline and corporate governance of public shareholding companies. In addition, commit to applying best practices in relation to the Board of Directors and its committees and dealing transparently with the external auditor and implementing the resolutions of the General Assembly.
2. Formulation of business rules regarding the transactions of the company's Board of Directors, employees and insiders, in addition, formation of a committee reporting to Board of Directors working to follow up and supervise all transactions of insiders in the company's shares.
3. Board of Directors has taken all necessary measures to maintain the complete confidentiality of the company's data and information which has a significant impact in a precise manner to ensure that it is not exploited and to put in place effective contractual arrangements whereby the other parties are aware of company's internal data, information about its customers to maintain the confidentiality of such data and information and not to misuse, direct or indirect transfer of such information to any third parties.
4. All insider's parties to sign on an official declaration that confirm their knowledge that they acquire internal data and information related to the company and its customers and bear all the legal effects in case of leaking this information or data or giving advice on the basis of the information in possession and to notify the company of any transactions on its shares before and after such transactions.
5. Commitment of any Board of Directors member, who has joint or conflicting interest in a transaction to inform the Board of Directors to take a decision thereof and to be recorded in the minutes of the meeting and the related member shall not vote on that decision.

6. The company's keenness to carry out its business transparently and to adopt the disclosure and transparency policy of the company in accordance with the requirements of regulatory authorities and legislations in force.
 - Disclosure of periodic reports, material information, the ownership of insiders and their relatives, transactions of related parties with the Company, and the advantages to the members of the Board of Directors and the senior executive management.
 - Provide information to shareholders and investors accurately and clearly and at the specified times.
7. All the shares issued by the Company within the same class of shares are equal in rights and obligations and proven to the shareholder all the rights related to the shares in accordance with the provisions of the Companies Law. The Article of Association of the Company and its internal regulations include the procedures to ensure all rights of shareholders.
8. The Board of Directors formed permanent committees affiliated to it directly and work in accordance with the standards of corporate discipline and governance of public shareholding companies to carry out their responsibility according to the authority granted to them.
9. Adopting written detailed rules and regulations for internal audit that define the duties and responsibilities in accordance with the policy approved by the Board of Directors and the general requirements and objectives in order to follow up the compliance with the provisions of the laws, regulations and resolutions in force and the requirements of the regulatory authorities.
10. All members of the Board of Directors, its employees and its auditor shall have committed to the rules of code of conduct, policies and internal regulations, and abide by the applicable laws and regulations.
11. Continuous updating the website of the company, which includes all the information related to the company www.gulfcement.ae to enhance disclosure and transparency, and to present any new or material decisions, and is a means to reach the shareholder to see all events directly.
12. Continuous updating of the “Investor Relations Portal” <https://gulfcement.ae/investor-relations-ar/> through which the company seeks to enable investors to have direct access to the latest information.

The Company is applying all the provisions of the laws, regulations and decisions in force and the requirements of the supervisory authorities in an optimal manner. These provisions and rules shall apply to the members of the Board of Directors of the Company and the executive management and its employees in the performance of their duties.

(2) Ownership and transactions of the members of the Board of Directors, spouses and children thereof in the Company's securities during the year 2020

A. The rules of the transactions of the board of directors and employees of the company

The Board of Directors of the Company has adopted written rules regarding the transactions of the Board of Directors of the Company and its employees and insiders in its shares. The members of the Board of Directors of the Company are among the persons familiar with the Company's financial data and internal information. The Board of Directors is keen to raise the level of transparency in disclosure and full compliance with the laws and regulations of authorities and markets, the following has been done:

- The committee is responsible for the management, follow-up, and supervision of insiders' trading and their ownerships, and keep their record and the submission of periodic reports to the market.
- Prepare a special and integrated register for all insiders, including persons who may be considered as persons with temporary insiders and who are entitled or have access to the company's internal information prior to publication. This record includes the prior and subsequent disclosures of the insiders.

The rules of trading of the members of the Board of Directors of the Company, its employees and insiders in its shares expressly stated the prohibited trading periods provided for in Article No. (14) of Resolution No. (2) for the year 2001 issued by the Board of Directors of SCA regarding the system for trading and clearing, which stipulates that the chairman and members of the board of directors of the listed company are prohibited from trading their securities and their general manager or any of the employees who are aware of the material information of the company trading with himself or for his account by third parties or in any other capacity for the account of others. The parent company, affiliate, sister or associate of that company if any of these companies are listed on the market during the following periods:

- Before ten (10) working days from the announcement of any material information, unless the information is the result of sudden events.
- Before fifteen (15) days from the end of the quarter, semi-annual or annual financial period until disclosure of the financial statements.

(9) Internal audit System

Internal audit Department is fully independent and directly affiliated to the Board of Directors, it implements audit and control policies, which aim to assess the Company's risk management procedures, contribute to the proper application of the Company's governance rules and verify the compliance of the Company and its employees with the provisions of laws and regulations. Reviewing financial statements, and reviewing accounting policies and practices.

Internal audit Department has the full authority to access all documents and records of the company and its employees' data and transactions. The Internal audit Department is committed to ensure the strict implementation of the decisions issued by the Board of Directors or its Chairman and its committees to the Executive Management. All departments and employees shall cooperate with the Internal audit Department to solve issues and events facing the company. In case of non-cooperation of any employee, the ICD shall be obliged to submit a report to the Board.

BOD defines the most important objectives and tasks of ICD as follows:

- Ensure the validity and integrity of work procedures in all departments of the company.
- Determining the extent to which the company complies with the requirements of governance and codes of ethics.
- Ensure the commitment of any party dealing with the company and the employees of the company to apply the rules of governance and institutional discipline and code of ethics.
- Preventing, detecting and correcting errors.
- Ensure compliance of employees with the laws, regulations and policies of the company.
- Review the integrity of assets and verify the actual presence of it.
- Conduct regular and periodic reviews of various activities and report on findings and recommendations.
- Cooperation with the external auditor to implement the resolutions of the General Assembly.
- Cooperation with the executive management to achieve the objectives of the Board of Directors.
- Ensuring the accuracy of accounting records and their integration so they can be reliable for taking higher decisions.

Based on the above, the Board of Directors is responsible for the Company's internal audit system, which has sufficient authority to apply the rules of governance throughout the Company and to achieve transparency and fairness.

B. The name, qualifications, and date of appointment of the Internal audit Manager

Ms. Badreyya Mohamed Ali Hassoon Al-Shehhi appointed as Manager of the Internal audit Department and performs the duties of Compliance Officer on 01.01.2020, as she has an MBA Finance and Bachelor's degree in Business Administration, and has accounting experience.

C. How the Internal audit Department handle any significant issues in the company, or issues disclosed in the annual reports and accounts:

Internal audit Department has evaluated the risk management, procedures of the company, reviewed the internal policies and the implementation of the company's governance rules, verified the company's compliance with the laws and resolutions, and submitted periodic reports to the Board of Directors and Audit Committee.

The Internal audit department deals with any challenges in the company independently and objectively by informing the Audit Committee and informing the senior executive management of the problem and potential risks and proposing the necessary steps to address the problem and ensure that it is not repeated and follow up with senior management to ensure of the procedures and decisions has been taken.

(10) Violations during the year 2020

The company was keen to comply with federal and local laws and ministerial decisions and governance of the Board of Directors, and achieved justice with all Stakeholders, which is in line with the good reputation of the company. During the year 2020, the company did not commit any violations and did not face any penalties either by governmental or private parties.

(11) Cash and in-kind contributions made by the Company during the year 2020 toward the local community development and environmental conservation

First: Contributions:

The UAE community has a solid privacy and a lofty goal in the company's strategies, which is a national responsibility that establishes fundamental foundations for the tasks entrusted to everyone. Likewise, the company is an integral part of the surrounding community and works wholeheartedly and with affiliation to consolidate effective community partnerships.

Gulf Cement Company continues to support community-based activity of all kinds with a package of voluntary contributions, based on the laws and regulations of the country. The company works to ensure that all its employees are an active and influential part of society.

▪ Community outreach:

The company has exceeded the in-kind, cash contributions and reached the goal of active community participation through adoption of the executive management to BOD initiative in supporting the community and building a strong social relationship that contributes to the positive social impact, through community outreach to become the company part of the surrounding society.

➤ Community voluntary contributions provided by the company

In accordance with Federal Law No. (2) for the year 2015 on commercial companies and its amendments and the article no. (65) of the Article of Association regarding the voluntary contributions, which allowed companies to pay voluntary contributions, and stipulated that voluntary contributions should not exceed (2%) of the average net profit of the company during the two financial years preceding the year in which such voluntary contributions are paid, Since the company did not achieve profits in the two fiscal years (2018 & 2019), no cash contributions were made during the year 2020, but the company was keen to continue providing in-kind and service contributions by providing various building materials and services to help citizens with limited income from the local community and public utilities.

Second: Environmental conservation:

The company is keen to comply with the laws and resolutions issued by the Ministry of Climate Change and the Environment, and by Environment Protection and development authority in Ras Al Khaimah. Implement the policy of the Board of Directors that the company to be a leader in its field by applying best practices related to sustainable environment and green products.

Gulf Cement Company also pays attention to the environment and its sustainability, and it believes that it is one of the main objectives that requires attention and focus on it, represented in its efforts in environmental sustainability projects that contribute to preserving natural resources and

reducing carbon emissions resulting from production processes in kilns, which confirms its distinction with environmental leadership.

The company works to support UAE orientations towards the green economy through ongoing environmental projects at the best and the latest technology in line with the prestigious position of the United Arab Emirates.

A. Urbanization:

The company takes great interest in Urbanization Projects as it represents the bright facade of the environmental reality of the company. These projects contribute to the presentation of the company's commitment to the importance of urbanization to achieve professional safety and job security and other parties as per the Ministry of Climate Change and EPDA requirements.

B. Landscaping:

The company has been concerned with afforestation in and around the perimeter of the company in order to achieve integration with urban construction projects that aim to highlight the aesthetic appearance of the company and increase the green area that contributes to improving the environmental situation of the area.

Environmental certificates

- Obtained an Environmental Impact Assessment Approval Certificate from the Environment Protection and Development Authority in Ras Al Khaimah, allowing it to use all types of waste and alternative fuels in the company's kilns.
- Renewing the environmental permit of the company issued by the Environmental Protection and Development Authority on 22/07/2020.
- Certificate of thanks and appreciation from the Environment Protection and Development Authority in Ras Al Khaimah for the commitment to the environmental requirements and laws for Gulf Cement Company for the year 2020.

C. Environmental communication

- The Authority honored the company on the efforts made and compliance with environmental laws and requirements.
- The company was keen on continuous and permanent communication with both the ministry and the authority to provide them with the environmental reality of the company, benefiting from the electronic monitoring network and permanent monitoring devices, as the company takes all precautionary measures upon any interruption or sudden failure and informs the ministry and the authority, and as a result of these efforts, the ministry has become The authority is fully aware of the environmental reality of the company.
